

National FAA Safety Team presents:

AirVenture 2023 Forum - Hope is Not a Strategy

"Hope is NOT a Strategy" is an examination of our decision-making processes, to include subtleties such as "faming", the truth about multitasking, the effects of too little, or too much information, how we determine the "goodness" of a decision, and ultimately how we can make less emotional, and more logical decisions.

WINGS/AMT credit available!

To receive WINGS/AMT credit fill out attendance sheet available at the Forum entrance.

Directions: The FAA Safety Center is centrally located on the EAA AirVenture grounds on the South side of the control tower. We are the large tan building with the rooftop deck facing the runway. Forums entrance is on the west side of the building.

Prior to attending a safety seminar, please review and abide by current CDC, State and local health guidelines.
